"Please consider remembering Temple Beth David in your will or trust."

Charlie Niederman's Second Bar Mitzvah at 83 years!

Rabbi Nancy Myers

April 2018

What a great joy it was to celebrate Charlie Niederman's Bar Mitzvah on March 24, 2018 or 8th day of Nisan 5778 on Shabbat Hagadol. Some of you are aware that Jews can have second Bar or Bat Mitzvah at the age of eighty three. This is because Psalms 90:10 states, "The span of our life is seventy years." For those who live

beyond seventy, it is as though they have second start on life and therefore thirteen years later one can have a Bar/Bat Mitzvah.

Larry Davidoff said afterwards that thankfully at 70 years and 8 days there isn't a second Brit Milah, i.e., circumcision.

Joking aside, this is a real accomplishment. Charlie mentioned his uncle Fred had one and he was following in his footsteps. It's no easy task to memorize verses from the Torah and it's especially more challenging with age. However, Charlie did a good job chanting from the Torah and led the service beautifully with support from our Bnei Mitzvah educator, Larry Matalon.

Charlie Niederman is a great role model for so many of us. He is a past president of our synagogue and currently serves as the VP of Planning & Development. Charlie has been committed to our Brotherhood and Men of the Reform Judaism. He is active with the Union for Reform Judaism as well. Phew! He is a very busy man and he took the time to prepare for his Bar Mitzvah.

It felt especially nice doing it at the Lay Led Minyan. Every Saturday morning, a group of people come together to pray, debate, laugh, and celebrate Shabbat together at 9:00 a.m. It is very warm and welcoming. Some there are very knowledgeable and others are just at the beginning of their exploration into Judaism. It's something everyone at Temple Beth David should experience and it felt right celebrating Charlie's Bar Mitzvah that morning.

And afterwards, we had a delightful brunch that Cathy Niederman arranged. It was a wonderful Shabbat!

President's Message

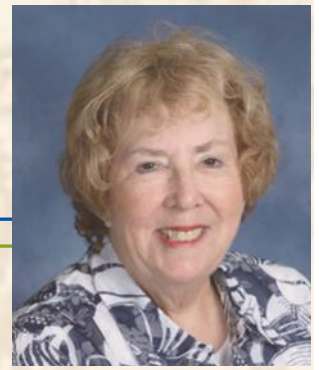

I wanted to share some exciting news. Over the past few months, we have been consulting with a marketing specialist to help us maximize our synagogue's potential. The goal of course is to reach out to potential temple members and get them to become actual temple members. As part of that process, our amazing marketing professional has forced us to take a look at ourselves- both who we are and who we would like to be- and to come up with some things we can do to update our message. So I am pleased to announce that the board has approved three changes that you will be seeing over the next few weeks.

1. Our website will be updated to include much more content, social media integration, and a one-stop landing page. Edie is working with our website developer and we hope to roll out the new website by May.
2. Our logo will be updated. It will keep the core of who we are and what we stand for, but will convey that message with exciting colors and new branding.
3. Our lobby will be undergoing a makeover. Our goal is to make the lobby not just a place for coming and going- but a place for staying. We are in the process of approving plans for new lobby furniture, complete with charging stations, kiosks for handling temple business, and an area for refreshments. We want you to want to stay for a while.

Our goals are ambitious ones, and we think necessary to keep Beth David a vibrant part of Orange County's Jewish community. Of course, none of this can happen without all of you. We will be presenting opportunities to assist in the lobby makeover process shortly, and as always, we will need your help. But I know that when the dust settles, quite literally, it will be well worth it.

SISTERHOOD MATTERS...

I hope you had a pleasant Passover holiday.

Thanks go to Anne Katz for the recent Sisterhood Shabbat celebration last month.

I have said this before, but it bears repeating...THIS IS YOUR SISTERHOOD. When you receive your ballot for the 2018-2019 Board of Directors, please take a few minutes to vote, See the flyer about the April 15th social action program/general meeting. We hope you can join us.

I'm sure there is a Picasso or Rembrandt in our midst. Come join the paint 'n sip program on April 29th It promises to be a lot of fun and you will be surprised at how talented you really are!

A bunko party is planned for May 17th from 2-4pm. See the flyer. For those of you who have never played, if you can count to six, you can play!! Refreshments will be served.

There is a flyer with more info in this issue of the Megillah.

Ladies, there is still time to earn a donor so that you can attend this year's luncheon

at the Ranch Country Club There is special entertainment planned, door prizes, and wonderful raffle prizes. A donor is equal to \$100 in service hours and/or cash donations, baking, etc. If you have any questions you can , call Mickey Lewin. at (714) 848-8835.

The thought for the month is:

IT'S NOT THAT DIAMONDS ARE A GIRL'S BEST FRIEND, BUT RATHER IT'S YOUR BEST FRIENDS WHO ARE YOUR DIAMONDS.

**Shalom ,
Anne Farber, President**

Brotherhood Board Meeting

Thursday, April 26, 2018

7:30 PM

With the Yom Hashoah observance occurring on April 11 & 12 and a Temple Beth David service of it on April 10, the Brotherhood is providing yellow candles to our members. Each candle is in a yellow bag with a focus on the remembrance of the six million Jews murdered by the Nazis during World War II.

The candles were given out to those attending the Purim Carnival and the Brotherhood Brunchs. They are also provided at our Shabbat services and be delivered to the homes of our members.

Using the candles in remembrance of the Holocaust, you should light them, read a poem, state a blessing of remembrance regarding our people who were killed because of being Jewish, and discuss it with your children. *With that I say, "Amen!"*

On May 13, the Brotherhood will be honoring all of our mothers at a Mother's Day Brunch.

Every mother will receive a wonderful free meal based upon the recognition of all that they have done for their family. Plus, they will be given a beautiful rose by us in honor of the holiday observance.

Along with the above, the Junior Choir will be singing to you and for you during the brunch session. A true song delight for every mom!!

Looking at the poster, it is important that you make your reservations ASAP by May 9 so there will be room for your attendance. We want every mother to have a seat, a meal, and a rose at the Brotherhood Mother's Day Brunch!

See you all then and there for a wonderful Brotherhood share!!!

ARZA By Charlie Niederman

Association of Reform Zionists of America

April 2018

Charlie Niederman, VP, Planning & Development

There have been a few references in the media to the yet to be announced U. S. administration's Israeli and Palestinian peace plan that was covered in last month's article. We await the plan, though we know that there will be problems in negotiating it.

The article this month was intended to cover the Israeli election system because it is good to understand how small minority parties can carry so much sway. It was timely because the current governing coalition recently avoided a problem that would have triggered a motion of no confidence. It may face another problem because the police recently presented to Israel's Attorney General a recommendation that Prime Minister Netanyahu be indicted for back room dealing for favorable press in a very popular newspaper and for accepting nearly \$300,000 in gifts over 10 years. He is also being investigated for potentially a far more explosive scandal involving, a \$2 billion deal for the purchase of submarines and missile ships from a German Company. Critics have described that episode as perhaps the biggest corruption case in Israeli history, touching on deep conflicts of interest and national security. But the investigation that could precipitate a government crisis will take months. However a new event that cannot be ignored arose Friday.

Thousands of Gazans marched to the border with Israel on Friday in the largest such demonstration in recent memory, calling for Palestinians to be allowed cross the border to return to land that their ancestors fled from in the 1948 War of Independence and to remove the border fence. It was dubbed the "March of Return." I saw the organizer interviewed on BBC News. He described the march as passive resistance, but he would not explain why young boys were encouraged to go to the front to use sling shots and by some reports Molotov cocktails against the Israeli troops. That seems to fit the Israel Defense Force (IDF) description that Hamas, who organized the march, specifically placed civilians at the front of what became a riot. It does not really explain why the troops fired live ammunition against the rioters. The IDF claimed that they killed 10 Hamas military wing gunmen of the total of 16 deaths. Hamas acknowledged the death of their military wing members in their passive demonstration. It also appears that Iran has decided not to continue its financial support for Hamas, so some see the riot as an attempt to impress their former major sponsor to continue support.

The IDF considers its handling of the "March of Return" border riots on Friday to have been effective and legitimate. The security fence was not breached or badly damaged. Border security was maintained and Hamas was rebuffed. The military called their response "a success."

Now Israel must face the diplomatic and political reactions. The political opposition was split on the use of force against the Gazan protesters, Avi Gabbay's Zionist Union and Yair Lapid's Yesh Atid minority parties backed the military on Saturday. Gabbay said he had "no doubt our soldiers did everything to reduce the number of casualties" and Lapid maintained he was "proud" of the troops. Israeli Arab lawmakers voiced support for the Palestinian protesters on the Gaza border and joined left-wing Meretz in a call for an investigation.

Diplomatically, the US blocked a draft UN Security Council resolution condemning Israel's actions. Deputy Minister for Diplomacy Michael Oren Twittered "Israel regrets civilian casualties but all were caused by Hamas... that is recognized as a terror group by the US and Europe. Hamas murders hundreds of innocent Israelis while using Palestinians as shields. It is using them still while trying to destroy Israel. We must defend ourselves."

"The EU mourns the loss of life. Our thoughts are with the families of the victims," the Union's foreign policy chief, Federica Mogherini, said in a Saturday statement. She continued that Israel's use of live ammunition should be subjected to an "independent and transparent investigation. While Israel has the right to protect its borders, the use of force must be proportionate at all times," She added that freedom of expression and freedom of assembly "are fundamental rights that must be respected."

Defense Minister Avigdor Liberman, a noted hawk, declared that "I don't understand the choir of hypocrites who call for a commission of inquiry. They got confused and thought that Hamas organized the Woodstock Festival yesterday and that we should give them flowers."

For all the aggrieved cynicism, the fact remains that incidents in which Israeli forces kill groups of Palestinians prompt a difficult diplomatic aftermath. The coming days will determine how difficult.

Much of the reporting above, about the clash at the Gazan border was paraphrased or excerpted from the Times of Israel.

Have you met.....

The Bartee Family

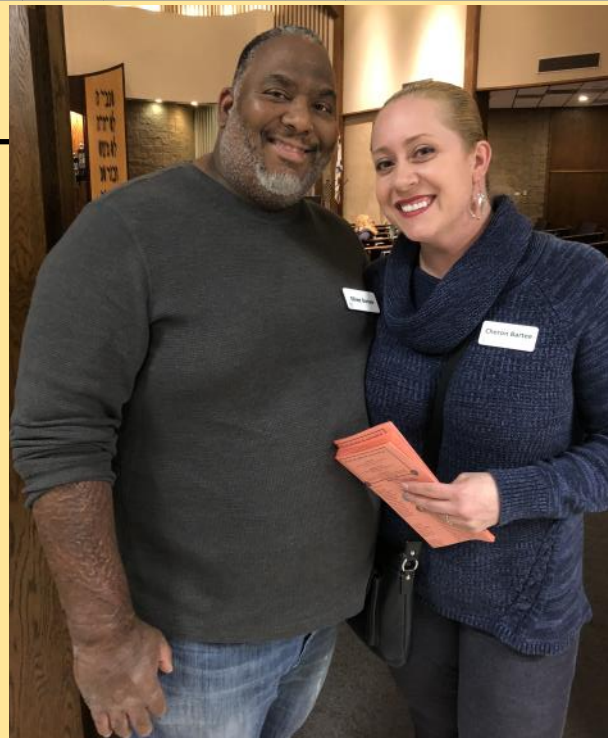

Cheron and Oliver Bartee were introduced on a blind date because Oliver's cousin said that since Oliver was silly and Cheron was silly they would make a perfect match! Can you think of a more charming reason to meet? Oliver's cousin was very perceptive. Cheron and Oliver married young and have been together for twenty years now.

The Bartees may be silly, but their chosen profession belies that side of them, and probably gets them through many difficult situations. They began their careers as security officers, and later, with the acquisition of Masters Degrees in Education and Law Enforcement, entered the honorable and challenging profession as police officers in Los Angeles. Cheron has earned the rank of sergeant in the police force. Due to a car injury in the line of duty, Oliver had to retire, but now works as a law enforcement instructor.

The Bartees have two beautiful daughters, Reina who is seven, and Zoe who turned six in March. As a family, they all love to go to the park, the beach, and everyone's favorite, Disney Land. They also have a passion for Marvel movies. In fact, Oliver has loved Marvel comic books since he was a child, and still likes to collect them. And of course, they love Temple Beth David. The girls love that their Mommy and Daddy take them to TBD all the time. If you come on a Family Night, you will most likely see Reina and Zoe singing in the Junior Choir, as Mom and Dad beam from the congregation.

We are so glad the Bartee family is a vital part of the Temple Beth David family.

Goodshop

Goodsearch

To Our Temple Beth David Family:

As most of you are aware, our Temple depends on donations to deliver the high quality of services to all of you. We understand that many of you are still struggling with the recent economic downturn. However, we have come up with a way that will allow you to donate to the Temple without spending a penny of your own money, plus you will actually save money on many purchases that you normally make!

We would like to introduce you to Goodshop and Goodsearch. Goodshop works with more than 5,000 stores that will provide all of you with discounts on what you normally buy and then will donate up to 20% of the purchase price to the Temple. You will simply click on a link on the Temple Home Page, start saving money for your family and help the Temple out as well! We have included an easy step-by-step signup guide with this letter. Here are some examples of companies that participate in the program:

Target, Macy's, Nordstrom, Neiman Marcus, Sears, Sak's, Apple, Old Navy, the Gap, Amazon, Office Depot, Petco, Staples, Dell, The Limited, Holiday Inn, Groupon, Levi's, Lands End, Best Buy, 1-800 Flowers, 24 Hour Fitness, and Victoria's Secret.

These are companies that we all normally shop at, and by simply clicking on the link on the Temple website, you will be saving money for your family and actually raising money for the Temple. In addition, you can also save money by dining out at participating restaurants and, at the same time, raising donations for the Temple as well. It's simple, free and easy to use, and the average family using the site over a year will actually raise more than \$350 annually for the Temple. Multiply that by our 300 families and we will raise more than \$100,000 per year for the Temple! This program really works. Goodshop has raised more than \$11 million for charitable organizations with this program.

Likewise, we are also rolling out Goodsearch. By doing your internet searches through Goodsearch.com, which links with Yahoo, the Temple will receive a penny for every internet search. If you can imagine how many internet searches you do, and your families do, this will also add up to real money for the Temple.

We encourage all of you to participate and to help strengthen our Temple for all of us and for the generations to come.

With best regards,
