# Save a Life-Prevent Gun Violence

Rabbi Nancy Myers

March 2018

My heart is broken with the shooting in Florida on February 14. The voices of the teens who survived this terrible shooting has shamed me. I am scared that its just a matter of time before there is a shooting in one of our local schools. It is just a matter of time before I have to do a funeral for a member of your family. My heart cannot bear the thought. And I know that I am guilty for not taking action and doing everything in my power to reduce the deaths due to gun violence.

In our Mishneh, we are taught, "To save a life is to save the world." For me, this instructs us that even one life has incredible value and even if efforts are not sufficient to eliminate all deaths, perhaps we can save one life or hopefully many. I believe it is a moral imperative for all us, regardless of what you believe the cause of gun violence is, to take real action. It is no longer permissible, in my mind, to say that this is the price of living and growing up in America. It is no longer okay to say that things will never change. Prayer and heart felt messages will not prevent the next mass shooting, homicide, or suicide. All of us who have a conscious, I believe, must act to save lives and strive to create a better country for our children, the next generation, and for our families and friends.

**I believe the following steps must be taken:**

1. **Screening/background/training before a person can purchase a firearm or ammunition:**

To drive a vehicle, one must demonstrate that he/she is not a danger to others in order to get a license or keep driving into old age. They have to learn the rules of the road, how to drive, and then pass a test. I believe a person must demonstrate that they know how to store their weapon, understand the ramifications of their gun getting into someone's hands, are screened for violent behaviors such as expulsion from school, domestic violence, and etc. This is because life takes priority over all. God's law tell us, "You shall not commit murder." We have an obligation to prevent killing and senseless loss of life.

2. **Shaming any politician that accepts money from the NRA- no matter their political affiliation.**

I want the NRA out of our politician's checkbooks so they can independently assess the needs of our nation. The NRA has consistently fought against universal background checks, any common sense restrictions on who gets a firearm, and even congressional funding for research to prevent gun deaths.

See who has taken donations:

[https://www.washingtonpost.com/graphics/national/nra-donations/?utm\\_term=.67796623d153](https://www.washingtonpost.com/graphics/national/nra-donations/?utm_term=.67796623d153)

**3. Ban weapons that can be used in mass shootings- automatics/ semi-automatic/devices that can easily convert them.**

In many mass shootings, AR15 has been the gun of choice.

<http://www.latimes.com/nation/la-na-ar-15-story.html>

Most disturbing, the NRA on its website encourages the purchases of this gun.

<https://www.americas1stfreedom.org/articles/2016/7/1/10-reasons-to-own-an-ar-15/>

<https://www.nrablog.com/articles/2016/1/why-the-ar15-is-americas-most-popular-rifle/>

**4. Demand that congress authorizes and funds credible studies of how to prevent gun deaths.**

Why can't we have good information and intelligent ways to save lives instead of knee jerk reactions?

[https://www.washingtonpost.com/news/wonk/wp/2017/10/04/gun-violence-research-has-been-shut-down-for-20-years/?utm\\_term=.a1744dfddb60](https://www.washingtonpost.com/news/wonk/wp/2017/10/04/gun-violence-research-has-been-shut-down-for-20-years/?utm_term=.a1744dfddb60)

**5. Identity ways to recognize potential shooters, resources for violent mental health challenges, and better follow up for FBI and police when there is a concern.**

*If you disagree with these steps and believe the causes of gun violence are due to violence in movies and video games, media, values, or other. I want to challenge you to take action based on your beliefs. What can you do to save lives? How can you prevent deaths due to gun violence?*

**For those of you who agree with any of my points, consider doing the following:**

- The **National School Walkout**, planned by Women's March organizers, will be on March 14 at 10 am in each time zone. It calls for students, faculty, parents, and others to walk out of school for 17 minutes.
- The **March for Our Lives** is scheduled for March 24. One in Long Beach is at 10:00 a.m. at Bixby Park and the O.C will likely at 2:00 p.m. location to be determined.
- **All of us need to advocate to save lives-write representatives even if they are not your own!**

**Get connected with organizations fighting gun violence such as Women against gun violence, <http://wagv.org/>, Religious Action Center, Never Again MSD, and etc.**

## SISTERHOOD MATTERS...

Hi All,

I hope that you will join us for our annual Sisterhood Shabbat on Friday, March 9<sup>th</sup>. We look forward to seeing you.

Our recent Maj tournament was a huge success, thanks to Eileen Tobey's hard work and efforts. There were over 60 women in attendance. Thanks to all the gals who prepared and served a lovely luncheon for the maj ladies.

This month's Sisterhood/Brotherhood Dining Delight will be held on Monday, March 5<sup>th</sup> at CPK on Edinger in Huntington Beach. Don't forget to bring the flyer with you.

Eileen Tobey and her committee recently baked hamantachen for the religious school and the Temple. They baked 1500 !! WOW

Recently I had the pleasure along with other Sisterhood members to attend the Visions Dinner at the Jewish Federation in Long Beach to honor our representative, Debbie Lechuk. Also honored was Leslie Kern representing the Women's Philanthropy at the Federation. Congratulations to you both.

Sisterhood would like to congratulate Scott Telford on being honored as the Brotherhood Man of the Year.

Best wishes for a happy Passover.

**Shalom ,**  
**Anne Farber, President**

Do you have a College Student living away from home?  
Sisterhood would like to send your student a Passover care package.

**Just send the name and address to Debbie Lechuk**

March 2018

Charlie Niederman, VP, Planning & Development

Reports from Arab sources indicate the Trump Palestinian-Israeli Peace plan now under development would change the status quo and require concession from both Palestinians and Israelis. Arab sources in Paris report that it will be presented, at a yet to be scheduled international conference, probably in Cairo with Israel in attendance.

The reports primarily come from unnamed Arab Foreign Ministers who met in Brussels earlier this week with their European counterparts to prepare in advance for the release of the US plan. They describe the yet to be completed plan as cancelling any Palestinians' rights to return to their former homes in Israel. In the West Bank far flung small Israeli settlements would be relocated and razed, but larger and older ones would be preserved, and construction of new settlements probably would be banned. The Old City of Jerusalem would be placed under international protection. A Saudi English newspaper in London reported that the plan includes US and international recognition of the Palestinian state and acceptance of East Jerusalem as its capital. Other reported provisions include Israeli responsibility for the Palestinian West Bank security and Israeli control of a Jordan River corridor. Egypt would control the security for Gaza.

Since the formation of a Palestinian state and governmental institutions will be expensive, the US would collect \$40 billion from yet to be identified sources.

The preceding information was taken from the Times of Israel, February 28, 2018.

The proposals in the new plan have been discussed as part of past negotiations. The

timing now may be fortuitous because of the instability in the region. The Saudis are tied up in fighting in Yemen to make sure that Shiite rebels friendly to Iran do not control one of their borders. Syria is deeply involved in their civil war, and Iraq is still a barely united country. Egypt has problems with the Arab Brotherhood and Jordan's ruling family is under duress. The fact that the yet to be completed plan has similarities to a plan proposed by Arab states in recent years may also help reduce resistance by Arab states and could possibly lead to recognition of Israel by its neighbors. The Palestinians may find their position receiving sympathy, but little support from Arab states.. In the past neighboring states could use the Israel-Palestinian conflict as a uniting force in their population, so they had minimal interest in settling the conflict. But now, their own instability and external battles keeps them preoccupied. Their neighbors have accepted few Palestinians over the decades, preferring them to be housed by the UN in refugee camps where they have now survived for more than two generations. The return of those refugees to Israel has long been a Palestinian demand and they surely will resist the loss of a bargaining chip in the negotiations to end the conflict with Israel.

So, now we will see if the rumored plan becomes a reality and can win the support of the UK, Europeans, and Arab states and finally the Israelis and Palestinians. At least Peace, no matter how farfetched, still remains the goal.

Charlie Niederman

# *2018 Is Off To An Exciting Start!*

To close 2017, I had the pleasure of welcoming Amy Crowley as our new Youth Adviser. Many here at Temple Beth David have seen her grow up in our congregation. Amy has been an integral part of WAFTY in her time here and is a Past-President. She has also stayed involved with NFTY since graduating high school. We are lucky to have her here to guide our youth.

WAFTY started off the year with a mission to raise funds to rebuild Camp Newman. Unfortunately, most of Camp Newman burned down in the Santa Rosa Fire. The Brotherhood & Sisterhood invited WAFTY to make an appeal at the Paid-Up dinner. Want to thank Laurie Schneider and the committee for encouraging this. The Kleinman Family lent their table top hibachis to the youth to use so those that wanted to could donate to Camp Newman and buy Smores kits. It was quite the hit! Charlie Neiderman also announced on behalf of Brotherhood, that Brotherhood would match donations up to \$1500. We have already raised. Hopefully we can get some more donations to hit the full \$1500 match potential. As many here in our TBD family know Camp Newman is such an enriching experience for our youth. Want future generations to continue to have that experience.

Both WAFTY and Jr WAFTY should be on the lookout for upcoming events throughout the year. Keep your eyes posted on the Shavua Tov's for announcements.

Best Regards,  
Mitch Halbreich  
Youth Trustee.

*Have you met.....*

## Vida and David Delshad

Vida was born in Shiraz, Iran. She attended Iran University where she earned a Bachelor's Degree in Journalism and Mass Communications. She also spent two years in the military. In 1974, she married David Delshad in Iran. They came to the United States in 1979, joining her two brothers who were living here. Vida now works as a bookkeeper for a non-profit organization, after receiving a degree in accounting from Golden West College. Vida and David have two children. Sheila, an attorney, is forty; and Donna, who at thirty-three, owns a Shorty Yoga Studio for children. Vida enjoys spending time with her two grandchildren (Sheila's). She also enjoys reading and travel. The Delshads joined Temple Beth David in 1990 and particularly like the diversity of the Synagogue.

David is also from Shiraz, Iran. He attended Cal State San Francisco where he earned a degree in Civil Engineering. He returned to Iran when he and Vida were married. After their return to the United States in 1979, David worked at Bechtel for twenty years. He was then employed by the FAA as a project manager for twenty-five airports. David enjoys gardening, travel, and Hebrew and Jewish studies. He also likes the diversity of Temple Beth David. We are so fortunate to have them as part of the Beth David family.

# Goodshop

# Goodsearch

To Our Temple Beth David Family:

As most of you are aware, our Temple depends on donations to deliver the high quality of services to all of you. We understand that many of you are still struggling with the recent economic downturn. However, we have come up with a way that will allow you to donate to the Temple without spending a penny of your own money, plus you will actually save money on many purchases that you normally make!

We would like to introduce you to Goodshop and Goodsearch. Goodshop works with more than 5,000 stores that will provide all of you with discounts on what you normally buy and then will donate up to 20% of the purchase price to the Temple. You will simply click on a link on the Temple Home Page, start saving money for your family and help the Temple out as well! We have included an easy step-by-step signup guide with this letter. Here are some examples of companies that participate in the program:

Target, Macy's, Nordstrom, Neiman Marcus, Sears, Sak's, Apple, Old Navy, the Gap, Amazon, Office Depot, Petco, Staples, Dell, The Limited, Holiday Inn, Groupon, Levi's, Lands End, Best Buy, 1-800 Flowers, 24 Hour Fitness, and Victoria's Secret.

These are companies that we all normally shop at, and by simply clicking on the link on the Temple website, you will be saving money for your family and actually raising money for the Temple. In addition, you can also save money by dining out at participating restaurants and, at the same time, raising donations for the Temple as well. It's simple, free and easy to use, and the average family using the site over a year will actually raise more than \$350 annually for the Temple. Multiply that by our 300 families and we will raise more than \$100,000 per year for the Temple! This program really works. Goodshop has raised more than \$11 million for charitable organizations with this program.

Likewise, we are also rolling out Goodsearch. By doing your internet searches through Goodsearch.com, which links with Yahoo, the Temple will receive a penny for every internet search. If you can imagine how many internet searches you do, and your families do, this will also add up to real money for the Temple.

We encourage all of you to participate and to help strengthen our Temple for all of us and for the generations to come.

With best regards,
