### **Dedication of a pew in memory of Max Sudakow**

At the Brotherhood service on February 12th the Brotherhood will pay tribute to the memory of Max Sudakow with the dedication of a pew in the sanctuary. The pew nearest the piano and choir has been selected because Max was trained in and appreciated music. Over the years at our Yom Kippur service his brother Rob on cello and his son James on violin have played Kol Nidre, and James now continues that tradition. His wife Florence has sung in the choir for decades and currently serves as its president.

Temple Beth David was a passion for Max and he served as an influential member of the Temple and Brotherhood boards. Max's Temple board terms, in addition to his time as president from 1975 to 1979, included nearly every board position. As president Max oversaw the construction of the school building and was involved in hiring Rabbi Henri Front part time. During his more than 30 years of Temple Beth David board service, Max was especially concerned about and devoted many hours to the Temple's strategic planning and constitution, and in representing concerned congregants and making sure that their issues were heard.

The plaque on the pew will remind us all of Max and his devotion to Temple Beth David and his appreciation of the Temple's music.

*Additional Naming Opportunities are plentiful and include:*

Choir Loft	Cantor's Chair
Temple Beth David Main Office	Cantor's Lectern
Cantor's Study	Tree(s) Planted In Memory/Honor of (1-2 available)
Sisterhood Gift Shop	Other Bimah Chairs
Preschool Office	Sanctuary Pews (full- and half-size)
Preschool Double Classrooms (Rooms: 1 & 2)	Mezuzah (Major entryways of School Bldgs)
Religious School or Preschool	Mezuzah (Major entryways of Social Hall)
Single Classrooms	Tree of Life, Stone
Administrator's Office	Existing Memorial Board
Rabbi's Chair	Tree of Life, Leaf

In addition to the naming opportunities listed above, one can also name the Social Hall, Kitchen, ECLC Building, Playground, and Patio. They are available on a first-request basis pending ratification by the Board of Trustees and confirmation by the donor with their initial payment.

Have you considered including Temple Beth David in your Estate Planning? If you would like to receive information about including Temple Beth David in your will or trust, please contact Rabbi Myers at [rabbimy@templebethdavid.org](mailto:rabbimy@templebethdavid.org) or 714-892-6623 ext. 227.

**Hi Ladies,**

Our recent Pechanga trip was very successful. We had fun and a delicious lunch in the buffet. If you missed this trip, plan on coming to our next one. More information will be out as we get closer to the trip date.

We hope you plan to attend our annual Sisterhood/Brotherhood paid-up dinner on February 6<sup>th</sup>. It promises to be a delicious, entertaining event. If you are not a member of Sisterhood or Brotherhood, you are welcome to join that evening. Chairs Cathy Katz and Jon Alban have planned some special entertainment for us. Reservations are a MUST. Call the Temple office.

On Feb.28<sup>th</sup> Social Action Chair, Debbie Lelchuk along with volunteers, will be packing lunches for the Family Shelter sponsored by Mercy House of Orange County. The food will be provided. We need volunteers and cash donations are welcome. Call Debbie at 562-430-1238 if you can help.

Once again, it is “hamentashen baking” time. This will happen on Sunday, March 6<sup>th</sup> in the Temple kitchen. It is planned during religious school. Volunteers are always needed and most welcome. If you are able to help, touch base with Eileen Tobey. **BEST OF ALL, THE VOLUNTEERS GET TO EAT THE REJECTS!** (what could be better than this?!)

Be sure to check out the new look as you enter the social hall.... Sisterhood has purchased lucite slat racks for flyers, magazines, etc. along with a new bulletin board.

Ruth Kramer is back in California and continues to progress with her therapy. We miss you, Ruth.

Shalom,  
Anne Farber

# ARZA By Charlie Niederman

## Association of Reform Zionists of America

Charlie Niederman, VP, Religious Practices

While we hear of increasing tensions between Israelis and Palestinians our Reform movement has continued to show its support for Israel and send groups to show its solidarity with Israel. This month 63 outstanding high school students (17 from California) arrived for a semester in Israel as part of the Eisendrath International Exchange (EIE). They arrived in Jerusalem during a snow storm. EIE has served students in grades 10 to 12 for a semester at a high school in Israel since 1963 as a program of the North American Federation of Temple Youth (NFTY)

ARZA is sending a mission of lay leaders from February 17 to 23 to learn about current issues and show solidarity with the Israel Movement for Progressive and Reform Judaism (IMPJ).

On an upbeat note, Israel's Prime Minister Netanyahu and Turkey's President Erdogan agreed to begin negotiations to improve relations between their nations. Diplomatic teams for each side have been selected and negotiations are planned for mid-February. With its relations with Egypt's current regime strained and King Abdullah of Jordan concerned about the possibility of an Arab Spring uprising in Jordan an agreement with Turkey will provide additional stability in Israel's relations with its neighbors.

An important part of the Israel Reform Movement is the Israel Religious Action Center. It is the public and legal advocacy arm of the Movement. It's goals are to advance pluralism in Israeli society and defend the freedoms of conscience, faith, and religion. Today IRAC is the preeminent civil and human rights organization in Israel focusing on the issues of religion and state. It advocates on behalf of pluralism and an inclusive Israeli democracy with a humane worldview of Progressive Judaism.

An example of their work is IRAC's advocacy in the case of woman named Elsa who came to Israel to take her orphaned nephews, Ehud (6) and Tomer (3) to Russia in 2002 because they had no Israeli relatives. An official government social worker asked her to stay in Israel and to raise the children there. Elsa agreed and for 15 years she went to parent-teacher meetings, took Tomer to his Tae Kwon Do classes and competitions (he is an Israeli champion) and recently took Ehud to his army induction ceremony. Elsa has worked hard to feed and clothe and take care of all their needs. She is not Jewish and the Interior Ministry refused to grant her citizenship or permanent residency. Instead, they gave her temporary work permits, which Elsa had to renew annually for the past 15 years.

IRAC has worked with the family to secure Elsa's residency status. They petitioned a court that resulted in an order to the Interior Ministry to reconsider Elsa's case. But last week, the Interior Minister stuck to its guns and denied our petition for permanent residency. They pointed out that Tomer will be 18-years old soon, and therefore Elsa's presence in Israel is no longer required. Her nephews are determined to fight for Elsa, whom they call Ima (Mom), to stay with them. Elsa uprooted her life to care for two Israeli citizens, at Israel's request. She shouldn't be forced to leave behind the life that she created for herself and her nephews. IRAC is running an email campaign to convince the Interior Minister to reconsider the decision. If you would like to participate please send an email to me at [cniederm@flash.net](mailto:cniederm@flash.net) for the IRAC request.

IRAC is one of the organizations that ARZA helps fund as part of the funding in Israel for the IMPJ.

### ***WHAT IF...***

Suddenly, you or a loved one passes away or becomes incapacitated, would you or your loved ones know where to find the check book, what bills to pay? Would they be able to find important papers, know what passwords to use to access accounts on the computer?

It is difficult to talk of these things when we are young and in good health. We all know that life can change in a second that is why it is so important to be prepared: to talk to your loved ones and get your affairs in order **NOW.**

I have put together a booklet with suggestions and helpful hints on how to get started. It is available in the Temple office for a suggested donation of \$5.00, to help defray the cost of printing.

Phyllis Postman

Dear Friend, Neighbor and Community Partner,

My name is **Natalee Blau** and, for the past 6 months, I have been preparing myself to become a Bat Mitzvah this coming April. In fact, I have been preparing for this day all of my young life. It officially means I am considered an adult by Jewish law. In addition to learning all of my prayers and Old Testament readings in Hebrew and singing them in front of the entire congregation, I am also obligated to participate in creating a mitzvah project that will help to heal the world around us.

For my mitzvah project, I wanted to do something for kids so, I chose to help build a library at a charter school called Animo Watts College Preparatory Academy located in Los Angeles, Watts, California. I hope you can help me to assist a high school begin building their very first library. I am hoping that you will be willing to donate the following book titles. The books can be gently used or new. They can be purchased on [amazon.com](https://www.amazon.com) or Barnes and Noble or wherever. I will also accept checks. I will also pick them up from your home.

Any kind of donation will help. If you can help me reach my goal of raising 500 books for the school, I would appreciate it greatly. The number 18 is very significant in Judaism as for it means life. I want to give the books to these high school kids who are reading at the same level as me in 7th grade a chance for a better life through education. Reading is a key part of learning and education. Please call my Mom at 714-315-6705 regarding your donation and pick up. Thank you in advance for your time and special consideration regarding my special request.

I wanted to say **Thank You** to everyone at Temple Beth David for the wonderful send-off that you gave to me on Friday night, Dec. 11.

The whole evening was more than I could ever have hoped for.

Thank you to Hannah Levine for her sweet words during the Hanukkah Party. Thank you to the Temple Board for the very generous gifts that Aaron presented to me. Thank you to Rabbi Myers for standing there holding her personal microphone close to me so that everyone could hear me speak when my voice was not cooperating. Thank you to every person who was there for all of your kind words, and to all of those who were not able to be there but have given me their well wishes. And especially, a HUGE Thank You to all the people who contributed to that amazing Tribute Book. I, and my family, will always treasure it. I left that night so full of all the love that was expressed to me that my heart is still warm with it. TBD will always be a part of me, and I Thank You for all the ways that I was allowed to be part of TBD.

Thanks,  
***Kim***

To Our Temple Beth David Family:

As most of you are aware, our Temple depends on donations to deliver the high quality of services to all of you. We understand that many of you are still struggling with the recent economic downturn. However, we have come up with a way that will allow you to donate to the Temple without spending a penny of your own money, plus you will actually save money on many purchases that you normally make!

We would like to introduce you to Goodshop and Goodsearch. Goodshop works with more than 5,000 stores that will provide all of you with discounts on what you normally buy and then will donate up to 20% of the purchase price to the Temple. You will simply click on a link on the Temple Home Page, start saving money for your family and help the Temple out as well! We have included an easy step-by-step signup guide with this letter. Here are some examples of companies that participate in the program:

Target, Macy's, Nordstrom, Neiman Marcus, Sears, Sak's, Apple, Old Navy, the Gap, Amazon, Office Depot, Petco, Staples, Dell, The Limited, Holiday Inn, Groupon, Levi's, Lands End, Best Buy, 1-800 Flowers, 24 Hour Fitness, and Victoria's Secret.

These are companies that we all normally shop at, and by simply clicking on the link on the Temple website, you will be saving money for your family and actually raising money for the Temple. In addition, you can also save money by dining out at participating restaurants and, at the same time, raising donations for the Temple as well. It's simple, free and easy to use, and the average family using the site over a year will actually raise more than \$350 annually for the Temple. Multiply that by our 300 families and we will raise more than \$100,000 per year for the Temple! This program really works. Goodshop has raised more than \$11 million for charitable organizations with this program.

Likewise, we are also rolling out Goodsearch. By doing your internet searches through Goodsearch.com, which links with Yahoo, the Temple will receive a penny for every internet search. If you can imagine how many internet searches you do, and your families do, this will also add up to real money for the Temple.

We encourage all of you to participate and to help strengthen our Temple for all of us and for the generations to come.

With best regards,

Neil Kornswiet
