FROM THE RABBI

What makes this night different?

A highlight of the Passover Sedar is when the youngest child present, sings, "Ma Nishtana ha layla hazeh..." "Why is this night different from all other night?"

It's heart-warming to see the next generation actively participating in one of our most beloved holidays. When I was young, my mother and grandmother taught me to do the first line in Yiddish. And so, I started, "Tati, Ikh Vil Dir Fregn Di Fir Kashes." My father just looked at me in amusement. Today, my kids, and they aren't even children anymore, still regale us with their full throated rendition of this Passover classic.

Back almost two thousand years ago, the Mishneh tells us that **an adult** asks this question. According to this third century Jewish work, if the son doesn't know what to ask, the father will say, "Ma Nishtana..." and teaches him that this night is different because we eat unleavened bread, i.e., matza, and bitter herbs. This night we eat roasted meat and dip our vegetables twice. And then according to the knowledge of the child, the father teaches him how we came out of slavery. And so, the first mention of the four questions features the father instructing his son on our history.

The rituals of the Passover sedar are meant to be engaging, interactive, as we bring our past to life and celebrate Judaism. However, we aren't limited to just "four" questions. Sitting around the table with the parsley, matza, roasted egg, haroset, and salty water, we are inspired to ask and discuss many things. Many of us have our own creative ways to celebrate Passover. Some of us use new Haggadahs, integrate novel songs, and even props.

As I'm pondering the sedar, I would like to ask, what four questions do you think would be pertinent for us as Jews today around the sedar? Can you come up with your own? What about the following?

1. Why do we still observe Passover especially since it happened thousands of years ago?
2. If you were to add a food item to the Passover sedar plate. What would it be and why?
3. What are the blessings and challenges of being a Jew in America today?
4. What are our values and traditions that we believe are worthy of passing down to the next generation?

I especially like to invite people around the table to share their own immigrant/exodus story. It's fascinating to hear why one's ancestors left Poland, Germany, or South America to come to the U.S. I find it helps to appreciate the journey of our relatives and to feel thankful for their sacrifices.

We have many wonderful ways to celebrate and learn about Passover. I invite you to consider coming to any or all of the following:

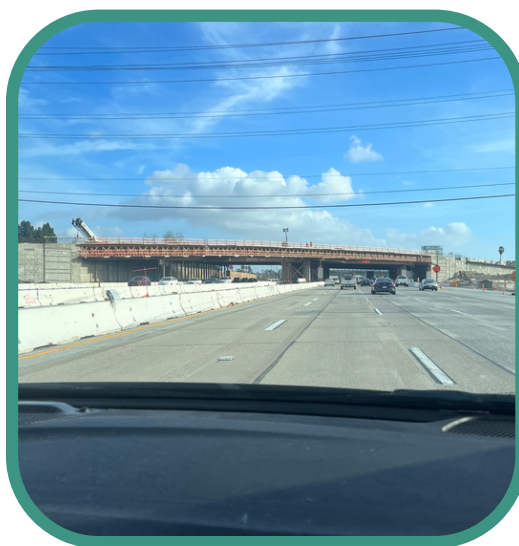

- a. **Tot Shabbat Passover:** Saturday, March 25 at 10:30 a.m. this is for our little ones to have a holiday experience followed by a wonderful oneg.
- b. **2nd night Congregational sedar** - Thursday, April 6 at 6:00 p.m. Food is good, service is engaging and musical. All are welcome. If you want to help plan it, let me know.

In the meantime, wishing you and your family a Chag Sameach!

BOARD UPDATE

In October 2021, my usual route to Beth David was closed when the Springdale bridge over the 405 was shut down and eventually dismantled as part of the State's and the County's I-405 Improvement Project. That bridge is one of 22 bridges that are being strengthened and expanded, and when it is finished it will also include pedestrian walkways and bike lanes. For over a year I have driven on the 405 through Westminster and Garden Grove, looking up wistfully at the empty skies where the bridge once stood. The Springdale bridge had generally given me my most efficient route to Beth David, and I can't tell you how many times since it was dismantled that I have felt a tinge of anxiety on the way to a service or a meeting, remembering I have to go a longer way, and cannot take my old route. And then, just a few weeks ago, I looked up to see this:

It was almost as if overnight my bridge was being rebuilt. And while it will be nice to have the bridge back, this whole experience got me thinking that since the pandemic started, we have all been finding “ways around” in order to stay connected to Beth David and to our Judaism. As part of my own journey, I have been making the drive to attend some recent Friday night services — which have been so deeply meaningful as we’ve put our arms around each other to sing our closing prayers. And I count myself one of the lucky ones who attended the Comedy Extravaganza in January, enjoying an evening full of laughter with friends and family, and also recognizing Rabbi Myers in reaching her 20th year with Beth David.

I am so grateful that we are able to hold services and other activities in-person again, and I encourage each of you, at a pace that feels right to you, to come back and share in the warmth and kinship that are hallmarks of our Beth David community.

I look forward to seeing you soon!

Andrea Chait
President

As the winter winds down and spring approaches, the Brotherhood is planning a multitude of activities for you to enjoy. We certainly have been busy the past few months, with an enjoyable and well attended Chanukah Carnival in December. The Brotherhood provided food and entertainment, including carnival games, video games, a bounce house, a face painter, and a magician. Also in December, we sponsored a very entertaining Chanukah Extravaganza featuring a Fidler on the Roof greatest hits sing-along that was attended by approximately 100 people. Many thanks to Perry Goldstein for writing and producing this show, to the entertainers who performed in the show, and to the many Brotherhood volunteers who helped make the show a success.

In January, the Brotherhood, along with the Women of Beth David (WBD), held a membership dinner that was attended by about 50 people. The theme for the event was "Saturday Night at the Movies" and the food was Italian. Thanks to the many Brotherhood and WBD volunteers, and a special thank you to Robin Harrison, who provided movie posters for the decor, put together various movie clips to entertain the audience, and served as auctioneer. Also in January, the Brotherhood cooked for two brunches, including a Brotherhood/Adult Ed brunch on January 8, when Master Teacher Janet Liss gave a presentation titled, "What do I believe? An interactive program," and a Foundation brunch on January 29, that was attended by approximately 100 people. My deep appreciation goes to the Brotherhood volunteers who participated in making these brunches successful.

The Brotherhood was also active in February, beginning with our 14th Annual Texas Hold'em tournament on February 5, and our annual Shabbat service on February 10, during which I had the pleasure of announcing that Elliot Semmelman is our 2023 Man of the Year. In addition, the Brotherhood and the WBD sponsored a February 12 brunch, when the Rabbi spoke to an audience of approximately 60 people about her book, *Awake, Awake, Deborah*. My thanks to Jerrold Korn for his efforts in making the Texas Hold'em tournament a success, to Elliot Semmelman for planning and organizing the Brotherhood Shabbat service, to the Brotherhood members who participated in the service, and to the Brotherhood and WBD volunteers who worked together on the brunch.

On March 5, the Brotherhood will be supporting the Temple and the religious school at the Purim Carnival by erecting game booths, volunteering to supervise the games, and preparing and serving delicious food for the attendees to enjoy. We will also be distributing Yom HaShoah candles in March, beginning at the Purim Carnival and continuing until the annual Yom HaShoah commemoration.

On March 19, the Brotherhood, along with Adult Ed, will be sponsoring a brunch that is sure to be entertaining, when Bryan Palbaum, President and COO of Trader Joe's, will give a presentation on the history of the specialty retail grocery chain. On April 16, there will be another brunch, a discussion about the uniquely Jewish post World War II Displaced Persons Camp in Deggendorf, Germany.

Please join us for an evening of baseball at Angels Stadium on Saturday, May 6, when the Angels take on the Texas Rangers. Get you tickets early, as they are likely to sell out. Please look for information on how to get tickets elsewhere in the Megillah. Lastly, on May 14, the Brotherhood will be honoring mothers at our annual Mother's Day brunch, which is free to Temple mothers.

Lee Netzer
Brotherhood President

Dear Beth David Members:

Yom HaShoah (Holocaust Memorial Day) for Hebrew Year 5783 begins at sundown on Monday, April 17, 2023, and ends at nightfall on Tuesday, April 18, 2023. We hope that you will once again join with other members of Beth David and your family on the evening of Monday, April 17, 2023, and light this candle at your home in memory of the victims of the Holocaust. The act of kindling this flame, and reading the enclosed poem and blessing, can be a moving ritual to remind us of what happened to our people not so long ago. This moment might also be an appropriate opportunity to discuss the Holocaust with your children. We are having our Holocaust commemoration service on Tuesday night, April 18, starting at 6:30 p.m. Stella Ungar, a Holocaust survivor, will share her experiences growing up in Germany under the Nazis.

This will be the 25th year that our congregation has participated in this joint project of the Men of Reform Judaism (MRJ) and the Federation of Jewish Men's Clubs. We hope that the observance of Yom HaShoah, centered on the lighting of a Yellow Candle, will become an annual event in your home and an important day on your Jewish calendar.

The Brotherhood will be taking the following steps to make it easier for you to receive your Yom HaShoah candle. Beginning in March 2023, we plan to distribute the candles to parents at the Religious School and Preschool, through Chavurah groups, at in-person Board meetings, at the March 5 Purim Carnival, and at the Brotherhood's brunch on March 19. The candles will also be available for pickup at onegs following most Shabbat services, and at the Temple office. If you have a special need and are unable to pick up your candle, please email the Brotherhood at bethdavidbrotherhood@gmail.com, or call Lee Netzer at (714) 317-7413, to make arrangements to have your candle delivered.

As in the past, we hope that you will help underwrite the cost of this project. Funds received over and above the cost will sustain our programs, our support for our Temple and the observance of Yom HaShoah. Page four of this document contains a donation form for your use in contributing. We ask that you consider gifts in multiples of 18, since chai symbolizes life. By remembering and doing your part to ensure our future, we celebrate the ongoing life of our people, even as we memorialize those who perished.

We appreciate your support of our efforts and ask you to join our Temple's observance of Yom HaShoah on Tuesday evening, April 18 at 6:30 p.m.

Sincerely,
Lee Netzer Rabbi Nancy Myers
 Brotherhood President

PERSONAL MEDITATION

Place a Yellow Candle in your window on Wednesday night April 7, 2021, and recite the

following personal meditation as you light it:

As I light this Yellow Candle, I vow never to forget the lives of the Jewish men, women, and children who are symbolized by this flame. They were tortured and brutalized by human beings who acted like beasts; their lives were taken in cruelty. May we be inspired to learn more about our Six Million brothers and sisters as individuals and as communities, to recall their memory throughout the year, so that they will not suffer a double death. May we recall not only the terror of their deaths, but also the splendor of their lives. May the memory of their lives inspire us to hollow our own lives and to live meaningful Jewish lives so that we may help to insure that part of who, they were shall endure always.

(Permission to reproduce this Meditation is granted)

"Who Am I To Speak Of A Time?"

Who am I to speak of a time families
crushed, of crimes of mankind, of children
in hiding and living in fear, of mothers
trying to hide all their tears, of fathers
praying to an empty heaven, of people dying
again and again?

Who am I to know what it was like to be
persecuted by day and trapped by the night,
to be surrounded by a world turned upside
down, to be starved and tortured and beaten
to the ground, to witness a nation of hate
marching past, to see all their dreams broken
and shattered like glass?

Who am I to mention their suffering and
pain, the ghettos, the camps, life and death
inhumane? I wasn't even born, I wasn't even
there.

It happened long ago, it could never
happen here. Who am I to know what God had
in mind, when the virtues of man were buried
alive, when good lost to evil and hope turned to
despair, when hell upon earth seemed
everywhere?

Who am I to let their memories be forgotten,
to say and do nothing as if it never
happened, to forsake the loss of our Jewish
family, to live in a world of complacency?

THE BLESSING OF THE YELLOW CANDLE

We light this yellow candle to rekindle God's
flame To shine His light upon the world once
again, To sanctify the memories of the millions
of souls, To honor their prayers and all their lost
goals. We bless their existence by being alive.

Did you know that the TBDFOC was founded as an independent non-profit corporation in 1992 for the purpose of benefitting Temple Beth David? Currently, 15 Funds are managed by the Foundation Board. In succeeding articles, each of these funds will be discussed, but for this article the Rabbi Henri E. Font Fund is featured. This fund is Scholar-in-Residence, which was near and dear to Rabbi and Reggie Front, and nurtured by their son, Seth.

Over the years, this fund has made it possible for scholars of many venues to come to Beth David and make excellent presentation - typically coupled with a famous Sunday brunch put together by Brotherhood and Women of Beth David. Some of you may recall author Ron Arons talking about The Hews of Sing Sing, author Steven Pease talking about The Golden Age of Jewish Achievement, and many other interesting presentations of rabbinic academic quality and one dealing with The Crypto Jews of New Mexico.

Keeping with this tradition of excellent interesting events, we have engaged author Hollace Ava Weiner to join us on January 29, 2023 to tell us about the Jews of Texas. You will find that the Lone Stars of David: The Jews of Texas presents a panorama different from the typical East Coast perspective and more like the wild, wild west. Because the Foundation is providing financial support for this event, the charge per person for the famous brunch is only \$10.00. Please see the flier and respond with your reservations as early as you can to make sure your space is reserved.

For any questions please feel free to contact me or any other Foundation Board member.

Here at Beth David, our symbol is the "Tree of Life"... We're looking forward to growing our Tree as we step into the future. There are many branches in our Tree for you to place your talents on. With that being said, we are always looking for members that would like to participate in fulfilling experiences. We welcome you and invite you to share ideas and create bonds with other members that may share similar interests. You do not need to be a Chairperson to be involved and have your voice heard. We are here for you. There are so many ways to bring your talents and expertise to support Beth David and its branches and experience and the growth of our Tree.

When we plant a seed (Idea), it becomes a Shute that soon becomes a Tree with Leaves and Buds (Talk), and the Buds become Blooms , (Manifestation). The Blooms make the branches full and beautiful. These beautiful branches fill the Tree of Life with even more possibilities (You) , that it would not have known otherwise.

We're looking forward to growing with you...

A kind word is like a spring day.

Russian Proverb

So, what did I learn from the past three months? Take time to smell the Roses. Okay so the weather is still a bit cold however don't let that stop you from bringing in the warmth. Last December I got an early Hanukah gift from the Jewish Long Beach & Alphert Jewish Community Center. It was a Chai Award for helping with the Unity Gala back in November. I receive this honor in gratitude for being allowed the opportunity to serve my community and represent our Beth David Congregation. It's never too late for local outreach everybody.

First, I would like to give some SHOUTOUTS for everyone who helped or participated in the Star Trek Shabbat and Program's Movie Night "Summer of Soul". Thank you for your support because the best events are those that you share with family and friends. So, with that in mind its 'time for a change of pace. Spring has a way of uplifting the spirits like a song especially if you like singing harmony or making a family menu. Well in March and April your Program Committee is cooking up some fun by working alongside some of the other branches of our Beth David community.

March means Purim. Time for your favorite Junior Board Member to party; responsibly course. The Beer Garden is back at the Purim Carnival folks and guess who will be tending bar. Helping Religious School is always the best. So, you adults 21 and older time to get a brew, and all donations will go directly to the Religious School. And the best part is some of our beers are from Riip Beer Company. Special Thanks to our very own award-winning Brew Master Ian Mc Call. Just a reminder the Purim Shpiel this year is March 5th at 10:00am and the Purim Carnival is going to be right afterwards.

What's next on the menu is our annual 2 nd Night Passover Seder on April 6 th , 2023. This year I am part of a congregant committee who will be hosting the dinner this year. This is one of Beth David's wonderful events that brings generations together at the community dinner table. Lead by our Rabbi Nancy Myers and Cantorial Soloist Nancy Linder its' a meaningful Haggadah that can't be missed.

Shalom,
Mulu Harrison
Program Trustee

At no time in the 75 - year history of the nation of Israel has there been such a threat to its principles of democracy and its Declaration of Independence that proclaims those principles. In this crucial moment our Rabbi and most of her colleagues in the Central Conference of

America Rabbis (CCAR) are meeting in Israel. They are not only witnesses to the nightly demonstrations, but have become part of the news as some were attacked at the Kotel (Western Wall) for having women carry the Torah. Rabbi Myers should have a lot more to say about this when she returns.

The voting taking place now in the newly formed Knesset is changing the nation's judicial system. As the government was originally formed, the Supreme Court had the power of judicial review and could declare a law invalid. It is equivalent to the US Supreme Court declaring a law unconstitutional, but Israel has no constitution. Israel also had an independent judiciary and law enforcement, so that crimes committed by anyone could be tried in accordance with the law without any political influence. It is now doing so in the ongoing corruption trial of Prime Minister Netanyahu. All this will be changed so that the Knesset, even if it had only a 61 to 59 majority could override the court, control the selection of judges, and control the Attorney General, and law enforcement agencies. There would be no check to balance its political power. Thus, the majority, no matter how small or unrepresentative, in the Knesset could eliminate any rights of the minority, abolishing that basic tenet of democracy.

The reaction in Israel by Prime Minister Netanyahu on Twitter was "A great night and a great day." While opposition leader Yair Lapid says, "Coalition members — history will judge you for tonight. For the damage to democracy, for the damage to the economy, for the damage to security, for you tearing apart the nation of Israel and that you just don't care."

I have been on two conference calls from Israel this week that went into the details of the legal changes and the large nightly demonstrations nationwide. My point is not to burden you with the details, but to let you know about the changes that the new government with its ultra nationalist and ultra Orthodox parties is making that are having far reaching consequences for the Jews of Israel and us in the diaspora.

It has united Jewish organizations worldwide that rarely agree and they are denouncing the laws and calling for a halt to the assault on democracy. In North America most organizations, except the most ultra Orthodox have expressed their deep concern. After Shabbat the leader of our Union for Reform Judaism, Rabbi Rick Jacobs, is planning to deliver a speech about these concerns.

One more area of concern is a law being proposed that would make the Kotel an entirely Orthodox complex removing the women's section and the egalitarian section where families can pray together and conduct B'nei Mitzvahs. Prime Minister Netanyahu has had it put on hold for the time being.

SO, WHAT CAN WE DO? Before the Rabbi left, I raised the idea of forming a committee to follow and respond to what is happening in Israel and how we can make some difference. Certainly, we want to support organizations like the Israel Movement for Reform and Progressive Judaism (IMPJ) and possibly look at adopting a sister congregation in Israel. After the Rabbi returns and catches her breath, we will call together everyone who wants to be involved.

ANNOUNCEMENTS

Savahn

"Aubree"Semmelman,

who will be called to the Torah for her Bat Mitzvah on April 29, 2023, is a 7th grader at a middle school in Ocean View School District. There she is part of the Student Leadership, is known to be one of the most spirited kids on campus (especially on dress up Spirit Days and during assemblies), and excels in many of her classes. In her free time, Aubree loves to spend time with her temple friends, play Roblox on her computer, and write short stories based on favorite books. She especially loves to build Lego sets, bake chocolaty desserts, draw artwork, invent board games, create outfits for her dolls, spend time with her Grandmother Selma and her parents, and cuddle with her rather new rescue dog Bentley Reese.

Aubree loves being Jewish, and is very involved at temple. She sings in the Beth David Junior Choir, helps at Tot Shabbats and Carnivals, bakes for Sisterhood bake sales, and loves going to Shabbat Services nearly weekly. She adores Rabbi Nancy and Cantor Nancy. An enthusiastic collector of all things Cinderella and lover of Lego Land, Disneyland, roller coasters, road trips, music (especially The Beatles), parades, being fancy, and chocolate, it's evident that Aubree loves to have fun and create magical fun for others.

In that spirit, her Bat Mitzvah Service Project was something she and her family created--that she took the lead on-- called, "Hanukkah Serenading." With the help of 44 wonderful volunteers over 5 days during Hanukkah 2022, Aubree's project was able to bring fun and smiles to 98 people all in celebration of the Hanukkah Miracle. Speaking of Miracles, Aubree was only 1 1/2 lbs. at birthday and had very little chance of ever talking or walking. With her goals being to some day be a Fashion Designer (or Lego Engineer, or Teacher or ?), and her short term goal of doing awesome during her Bat Mitzvah, this miracle of a young lady surely fills the hearts of many at Beth David and beyond.

Upcoming B'nei Mitzvah

Brady Nguyen will be called to the Torah as a Bar Mitzvah on May 6, 2023.

He is a straight A Honor's Student at Oak Middle School. Brady enjoys tennis, skiing, video games, and hanging out with his friends and family. Brady has been a part of the Beth David community since birth, coming to pick up his siblings from pre-school. As a result, part of his Mitzvah project was giving back to the community. He has volunteered at the Hanukkah and Purim carnivals, and baked cookies and brownies for the bake sale. In addition, Brady has put together packages of food for those in need through various organizations and volunteers at the snack stand during his siblings high school sporting events.

Brotherhood Board Openings!

The Brotherhood has two openings on its Board of Directors for Culinary/Catering chair and Publicity Chair. If you like to cook, or if you are good at preparing flyers and publicizing events, please email the Brotherhood at bethdavidbrotherhood@gmail.com or call Brotherhood President Lee Netzer at 714-317-7413 to express your interest. Joining the Brotherhood Board would provide a great opportunity to get involved, meet new people and support the Temple community.
